

children's cancer charity match

Friday 20th May 2022

7pm Kick-Off

The Silverlake Stadium,
Home of Eastleigh F.C.

Ex-Premier League stars
and Saints Academy
vs
Nursling Vets and Friends

Keanu was 12 years old when he was sadly diagnosed with Leukemia, just two days after signing a two-year contract with Southampton FC Football Academy. He went on to spend 8 month's in hospital going through chemotherapy treatment.

Thankfully, after more than 60 blood and platelet transfusions and with the incredible staff at the Southampton Childrens Ward, Keanu is well and back playing with his team in the Saints U14s.
