

FROM THE GROUND UP

Build your Future

Trade roles are central to building high-quality new homes. From bricklaying and carpentry to roofing, scaffolding, and painting & decorating, these are hands-on careers on real sites where every day is different. If you're motivated and ready to work hard, a future in construction could be a great path to explore!

Think you know construction? Think again.

✗ **It's just hard manual work**	✓ Modern construction actually uses some of the latest technology and offers a wide range of roles.
✗ **It's not a well paid career**	✓ Construction offers really competitive salaries, great benefits and real progression.
✗ **It's just for boys**	✓ At Taylor Wimpey, we value difference and create an inclusive workplace where everyone can thrive.
✗ **It's not a career for the future**	✓ Construction is evolving. You can be part of building a more sustainable future.

What could you earn?

Apprentice	£18k
Site Assistant	£24k
Site Manager	£40k+
Project Manager	£60k+
Senior Manager	£80k+
