The screenshot shows the 'Apprenticeships' website. At the top, there is a navigation bar with 'APPRENTICES', 'EMPLOYERS', and 'INFLUENCERS'. Below this is a green navigation bar with links: 'Are they right for you?', 'How do they work?', 'Get started', 'Browse apprenticeships', and 'Useful resources and support'. The breadcrumb trail reads 'HOME > APPRENTICES > HOW DO THEY WORK? > BROWSE BY INTERESTS'. A green tag labeled 'APPRENTICES' is positioned above the main heading 'Browse by interests'. Below the heading is the HM Government logo. The page features three interest categories, each with a background image and descriptive text:

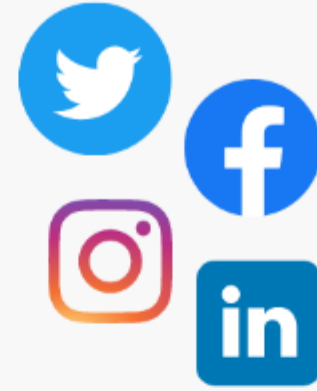

- Agriculture, environment and animal care**: Working outside or with animals, passionate about nature and the environment? Take a look at the jobs in this sector.
- Business and administration**: Business and administration could take you in many different career directions - a manager, personal assistant, CEO? See what types of roles are on offer.
- Care services**: Working in the care sector makes a real difference to people's lives, helping vulnerable children, young people, adults and the elderly, across a range of community care and support services.
