

THE MOUNTBATTEN SCHOOL

JGO/JHS

23 September 2022

Dear Parent/Carer

Design and Technology – Parental Support (Lower School: Year 7, Year 8 & Year 9)

In recent years we, in the Design and Technology Faculty, have asked parents to support the work we do by making a financial voluntary contribution towards the costs of the students' project work (Graphics, Resistant Materials and Textiles). This enables students to keep the project work they make when it is finished. It also lets them embark on some costly project work that normally would not be possible.

We are very grateful for the continued support of parents at The Mountbatten School and would like to ask for parental support again this year. Please could we ask that you make a voluntary contribution of £15.00 in support of your child's work. I cannot stress enough that this support is greatly appreciated and does make a big difference to what we can offer to your child in terms of their Design and Technology experience. If you are unable to pay the full amount, then any payment will be greatly received.

If you would be so kind to donate £15.00, please pay via Scopay or, if you do not have a Scopay link, you may pay over the phone by contacting our Finance Department on 01794 502502.

To maximise your donation, we are going to be claiming gift aid. In doing so, the school will benefit from an additional 25 pence of Gift Aid for every £1.00 you donate. In order to do this, please could we ask you to complete the [D&T Gift Aid Parental Support](#), giving your name, address and postcode.

Thank you once again for your continued support.

Yours sincerely

Mr J Gopal
Head of Design and Technology
