

## THE MOUNTBATTEN SCHOOL

15 November 2023

Dear Parents and Carers

I am aware that the flooding of the footpath along Botley Road between the Luzborough roundabout and the junction with Rownhams Lane has become a danger to our students, some of whom are walking in the road. I have previously reported this to Hampshire County Council and have also done so again this week. As you will appreciate, the school is not responsible for roads and cannot make the local authority carry out any repairs. For your information, the reference number for the report to the county is: 7134223.

If you share my concerns, can I urge you as parents to report them to the county Transport and Roads Team via the online reporting system:

<https://www.hants.gov.uk/transport/roadmaintenance/roadproblems>

or by calling their Customer Contact Centre on 0330 555 1388.

It is more likely that the problem will be resolved if we are numerous in voice in reporting our concerns.

Yours sincerely

Andrew Portas  
Headmaster
