Dear Parent/Carer

Year 7 Swimming & Cycling Competence

The Physical Education Faculty is interested to find out how competent your child is with swimming and cycling.

We are very aware that during Covid, students have missed out on the opportunity to access swimming pools and undertake swimming lessons. Therefore, we would like to know if your child is a non-swimmer or a weak swimmer with the view to running a water competency session with them after half-term, followed by further swimming intervention.

Furthermore, being able to ride a bike independently is a key life skill and we are interested to find out whether your child is competent in riding a bike.

If your child is a non-swimmer, weak swimmer or a non-rider, please complete the [Swimming and Cycling Competency Google Form](#). **Please do not complete the form if your child is a competent swimmer or competent cyclist.**

If you have any queries about this letter, please do not hesitate to contact me via info@mountbatten.school.

Yours sincerely
