

Exam Results 2019

‘Congratulations to all our students who have received news of their very good examination results. Results were once again superb, maintaining the school’s excellent record for academic success. Attainment measures were identical to last year and there were superb individual performances from boys and girls. We would like to congratulate students, parents and teachers; these outcomes reflect their hard work and commitment. Every year the grade boundaries become more challenging. However, the professionalism of Mountbatten teachers has ensured that we continue to maintain our record for academic excellence.’ Heather McIlroy, Executive Headteacher.
