

## THE MOUNTBATTEN SCHOOL

HMC/SWS

1 October 2021

Dear Parents and Carers

### **Google Chromebook Scheme to support remote learning**

In the current climate, sometimes students may have to learn from home due to self-isolation. We want to be able to support families in ensuring that children have appropriate technologies to access online learning. As such, we would like to offer you the opportunity to purchase a Google Chromebook package for your child on a monthly payment schedule. Google Classroom (and its suite of software) is the learning platform that is used by all departments in school and facilitates all remote learning.

There are three different Chromebook packages available with different payment schedules according to your child's year group. Each package contains a Chromebook device, case, charger, Chromebook licence, full warranty and insurance without any excess for theft or accidental damage. The finance is interest-free and there is no credit check. There is also an option to pay for the device in one instalment. The different packages and payment options can be viewed at:

<https://edutech.click/Mountbatten-Chromebook-Scheme>

If for any reason you are unable to access the hyperlink, please contact the school.

To participate in the scheme and to nominate which device and payment plan you wish to use, please click the link above where you can access all the documentation relating to the Chromebook programme, including frequently asked questions. Please ensure that you select the correct package for your child's year group.

The scheme is now open and will close at 10pm on 24 October 2021.

Yours sincerely

Heather McIlroy  
Executive Headteacher
