CAREERS

PARENT & CARER CAREERS EDUCATION INFORMATION

At The Mountbatten School, we understand that guiding your child through their education and into the ever-changing job market can feel daunting. The world of work is continually adapting to new ways of working and it is estimated that 85% of jobs that will exits in 2030 haven't been invented yet.

The education landscape has also undergone big changes, ranging from new policies brought in to ensure that all students have access to careers education from Year 7 to the establishment of new qualifications, such as T Levels.

To keep you up-to-date with the latest events and opportunities around school, read and subscribe to:

- The weekly school newsletter (careers section)
- The Careers Instagram page: careers_mountbattenschool

Careermag for parents and carers

Careermag is published termly, aimed to keep parents and carers informed with education, industry and job market developments. The magazine can be subscribed via the following link: https://careermap.co.uk/careermag-parents-carers-guardians/

Careers meetings

All students are entitled to a careers meeting with one of our Careers Advisers. Whilst we typically offer these to Year 9 students and upwards, if you would like your child to have a careers guidance meeting to talk about their future options, please email the school's Careers Leader Mrs Shakya via sindy.shakya@mountbatten.school. A copy of the action plan will be emailed home for your information.
