Dear Parent/Carer

Art Department – Parental Support

We are very pleased to welcome your child to the Art Department this year. We always look forward to seeing your child's creativity develop and the work they produce.

To offer students a range of exciting practical experiences, we use a range of materials and buy each child a sketchbook every year through their KS3 journey. This comes at a cost to the department; but we know that this is beneficial to your child's engagement in Art.

We are very grateful for the continued support of parents at The Mountbatten School and would like to ask for parental support. To help with costs, please could we ask that you make a voluntary contribution of £10.00 in support of their use of materials and sketchbook.

I cannot stress enough that this support is greatly appreciated and does make a big difference to what we can offer to your child in terms of their Art experience. If you are unable to pay the full amount, any payment will be greatly received.

If you are able to contribute, please pay via Scopay. If you have any problems paying online, please email the Finance Department finance@mountbatten.school, who will be able to help you.

To maximise your donation, we are going to be claiming gift aid. In doing so, the school will benefit from an additional 25p of Gift Aid for every £1.00 you donate. In order to do this, please could we ask you to complete the Art: Year 7 Gift Aid 2025, giving your name, address and postcode.

Yours sincerely

Mrs T Lyons
Head of Art
