Dear Parent/Carer

Overnight School Trips Update

I am writing to you to provide an overview of the fantastic range of overnight school trips currently planned for the upcoming and future academic years. At our school, we believe these trips are a crucial part of your child's education, offering unique opportunities for personal growth, academic enrichment, and the chance to create lasting memories with their peers.

To make it easier for you to see all the available opportunities and plan ahead, we have created a comprehensive overview of every trip involving an overnight stay. This document provides a clear summary of each trip's key details, including:

- The subject area connected to the trip (e.g., History, Science, Performing Arts)
- The destination
- The term in which the trip will take place
- An approximate, provisional cost to help with your budgeting

Please note that costs are estimates and subject to change as we finalise arrangements. Trips scheduled further in advance remain provisional and may be adjusted based on circumstances and demand. You can access the full overview from the school website by following 'School life' > 'Internationalism' >'please click to view the upcoming trips'. Alternatively, you can use this link.

We encourage you to review this information with your child to discuss the opportunities that are most appealing to them. Further details and sign-up information for each trip will be shared by the relevant staff member closer to the time.

I hope you find this useful and informative; thank you for your support.

Yours sincerely

Mr Rob Davenport
Assistant Headteacher
