Dear Parent/Carer

**GCSE Revision Materials for Year 11**

Your child will be sitting their GCSE examinations in the summer of 2026. To give the very best chance of being fully prepared for these examinations, we have put together the following recommendations for Year 11 students. *You may have already purchased some of these resources for your child in Year 10.*

Resources can be found and purchased using our online payment system, Scopay. Should you have any difficulty accessing the Scopay system, please contact our Finance Department at finance@mountbatten.school. We are able to offer most of these guides at a schools' discounted rate which we hope will assist you.

The resources that are recommended by faculties are examination board appropriate. Should you wish to buy fewer texts than those listed below, then those marked as 'recommended' will give your child the best support. In order to help your child receive the correct revision resource, please check the classes listed beside the resource in the table below, this is particularly the case for Science, Maths and PE.

Owning a revision guide or workbook will not, of course, guarantee examination success. We set regular homework and revision tasks to consolidate and embed learning, however, it will support content covered in courses but must not be relied upon solely as a revision tool but used in conjunction with exercise books, anthologies, electronic resources and other school revision resources.

If you are interested in purchasing a revision guide for your child through school, please place your order by **Friday 7 November 2025**. After this date, we will no longer be taking orders for revision guides and these will need to be purchased elsewhere (e.g. Amazon). ***Once you have placed an online order we will endeavour to fulfil this within a month.***

Should you require any additional help deciding which revision resources to purchase, please contact your child's subject teacher via info@mountbatten.school

Yours sincerely

I Dunn (Mr)
Assistant Headteacher
