THE MOUNTBATTEN SCHOOL

SOE/LHS

05 January 2026

Dear Parent/Carer

Aerosols In School

We would like to take this opportunity to remind all students and families about our school policy regarding the use of aerosols on school premises.

As outlined on our school website, **aerosols are not permitted to be used in school at any time**. This policy is in place to ensure the health and safety of all our students, particularly those who may suffer from asthma or other respiratory conditions. The use of aerosols can trigger serious allergic reactions and breathing difficulties in sensitive individuals, which is why we ask for your cooperation in adhering to this rule.

Please note that any aerosols brought into school will be **confiscated,** and students will be asked to retrieve them from Reception at the end of the school day. We kindly ask that you speak with your child about this policy to avoid any confusion or disruption to their school day. Roll-on deodorants and water-based sprays are permitted to be used.

We appreciate your understanding and support in helping to maintain a safe and healthy learning environment for all students. If you have any questions or concerns, please do not hesitate to contact us via info@mountbatten.school.

Yours sincerely

Mr S Osbourne
Director of Sports Academy
