Dear Parent/Carer

Year 10 City College Taster Day 2025 – 7 July 2026

We would like to inform you of the key information for the day.

Timetable
The College will email students a copy of their timetable nearer the time. Please remind your child that they must bring this with them on the day.

Arrival and departure
Students will make their own way to and from college, and need to arrive between 9.30 – 9.45am for registration. The meeting point is inside the college reception on St Mary Street, Southampton. Students need to register with a member of the school staff first and then make their way to their appropriate curriculum subject banner, in the college. From there, they will be collected by curriculum staff and taken to their first lesson. The day will finish at approximately 2.30pm.

Attendance
If a student is unable to attend the College Taster Day, please inform the school's Attendance Office as soon as possible so that the information can be forwarded to the college.

Dress code
Students need to wear their full school uniform, unless told otherwise nearer the time.

Lunch
We encourage students to bring a packed lunch as the college's canteen and vending machines only serve very light refreshments. Students receiving a free school meal will be given their lunch during registration.
