THE MOUNTBATTEN SCHOOL

LHS/SOE

04 June 2026

Dear Parent/Carer

Sponsorship Opportunity

The PE Faculty is extremely proud of our talented sports students and their commitment to school sport at Mountbatten School.

However, as you can imagine with over thirty sports teams, we are constantly buying new equipment and team kits. At this moment in time, this funding comes solely from our faculty budget and unfortunately, we cannot continue to purchase new sports kit or equipment each academic year.

Therefore, we would like to ask that if you are a business owner, that you would consider becoming a sponsor and help us provide students at Mountbatten with high quality sports kit or equipment.

In return for your sponsorship, we would of course be willing to wear your company logo on our school team shirts and for you to be listed as our key sponsor in our weekly newsletter. As you may be aware, we are regularly in the sports pages of the Daily Echo. We also regularly share sport and team updates on our PE and school Instagram accounts, which attract a wide audience.

We appreciate any sponsorship funding that can be provided and if you have a preference of a team to sponsor, this can also be discussed.

If you are interested in this fantastic opportunity, please email me directly via scott.osbourne@mountbatten.school.

Yours sincerely

Mr S Osbourne
Director of Sports Academy
