

THE MOUNTBATTEN SCHOOL

IDN/LHS

14 September 2026

Dear Parent/Carer

GCSE Revision Materials for Year 10

Your child will be sitting their GCSE examinations in the summer of 2028. To give the very best chance of being fully prepared for these examinations, we have put together a list of Year 10 revision guide recommendations – see below. Additional resources will become available in Year 11.

Resources can be found and purchased using Scopay. Should you have any difficulty accessing Scopay, please contact our Finance Department at finance@mountbatten.school. We are able to offer most of these guides at a schools' discounted rate which we hope will assist you.

The resources that are recommended by faculties are examination board appropriate. Should you wish to buy fewer texts than those listed, then those marked as 'recommended' will give your child the best support. In order to help your child receive the correct revision resource, please check the classes listed beside the resource in the table below, this is particularly the case for Science, Maths and PE.

Owning a revision guide or workbook does not guarantee examination success. Regular homework and revision tasks help consolidate learning, and revision guides should be used alongside exercise books, anthologies, electronic resources and other school revision materials.

If you are interested in purchasing a revision guide/s for your child through school, please place your order by **Friday 9 October 2026**. After this date, we will no longer be taking orders for revision guides and these will need to be purchased elsewhere (e.g. Amazon). **All orders will be issued within a month after the closing date of Friday 9 October 2026.**

Should you require any additional help deciding which revision resources to purchase, please contact your child's subject teacher via info@mountbatten.school.

Yours sincerely

I Dunn (Mr)
Assistant Headteacher
