Dear Parents and Carers

### **GCSE Revision Materials for Year 10**

Your child will be sitting their GCSE examinations in the summer of 2023. To give the very best chance of being fully prepared for these examinations, we have put together the following recommendations for Year 10 students and additional resources will become available for students when they enter Year 11, in due course.

Resources can be found and purchased using our online payment system via the school website. Should you have any difficulty accessing the Scopay system, please contact our Finance Department at [finance@mountbatten.hants.sch.uk](mailto:finance@mountbatten.hants.sch.uk).

We are able to offer most of these guides at a schools' discounted rate which we hope will assist you. If your child attracts the Pupil Premium grant, their teachers will discuss the issue of revision guides, workbooks, etc., with them and then issue these resources without cost if they are wanted and going to be used. Resources that are covered by the Pupil Premium grant, are listed in the table below.

The resources that are recommended by faculties are examination board appropriate. Should you wish to buy fewer texts than those listed below, then those marked as 'recommended' will give your child the best support. These texts will remain available throughout year 10 and 11 and can be purchased individually, as required.

Owning a revision guide or workbook will not, of course, guarantee examination success. We set regular homework and revision tasks to consolidate and embed learning, however, it will support content covered in courses but must not be relied upon solely as a revision tool but used in conjunction with exercise books, anthologies, electronic resources and other school revision resources.

In order to help your child receive the correct revision resource, please check the classes listed beside the resource in the table below, this is particularly the case for Science, Maths and PE. *Once you have placed an on-line order we will endeavour to fulfil this within a two week period.*

Should you require any additional help deciding which revision resources to purchase, please contact your child's subject teacher

Yours sincerely

I Dunn (Mr)
