

THE MOUNTBATTEN SCHOOL

IDN/MWE

13 January 2022

Dear Parents/Guardians

Year 9 Options

Year 9 options is the process through which students choose the subjects they wish to study in Year 10 and 11. Students have already received information regarding options in their assembly yesterday (via Loom), and an Option Booklet has been distributed to them this morning with information about the process. Subject staff have prepared videos to help answer questions you might have on all subjects which will be available on the school website by clicking on this link: <https://www.mountbatten.school/year9options>. We hope the information you receive will explain the process, but if you have any further questions after receiving the information then please email: Marina.wyse@mountbatten.hants.sch.uk. The deadline for students to complete their Option choices is **Monday 7 February 2022**.

We would ask that you sit down with your child and look through the subjects available and click on the extra subject information available which will explain the course content and the requirements of the exam. We ask that as parent/carers, you tick the approval box at the bottom so that the process can be completed in full.

Year 9 Parents Evening

This will take place on **Thursday 27 January** and will be done remotely. Information regarding the evening will be sent home tomorrow. This will be an opportunity to meet your child's teachers to discuss their progress and seek advice, which may support them with their Option choices.

Please do not hesitate to contact the school if you have any queries on any of the issues in this letter.

Yours sincerely

Mr Ian Dunn
Assistant Headteacher

Ms Marina Wyse
Options Co-ordinator
