

THE MOUNTBATTEN SCHOOL

29 June 2022

Dear Parent/Carer

LAMDA Tuition 2022-23

We are delighted to be able to offer lessons for LAMDA Graded Examinations in Performance (Acting), with Michelle Smith from Theatre for Life Education. Michelle is an experienced Drama teacher, professional director and LAMDA tutor, who has vast experience working with young people, helping them to attain highly in drama and theatre qualifications.

LAMDA lessons provide students with an opportunity to work in small groups and 1:1 with an acting coach to stage scripted monologue and/or duologue pieces for examination. Students will be required to learn scripted dialogue, consider how to stage these pieces effectively and participate in activities focused upon developing effective characterisation in acting. Throughout their training, students work through graded examinations towards their Bronze (equivalent to GCSE), Silver and Gold Awards (equivalent to A-level).

LAMDA

LAMDA, The London Academy of Music and Dramatic Art, is one of the United Kingdom's oldest Drama schools. Founded in 1861 as a centre of excellence, LAMDA has provided the world with many of its best known actors, presenters and announcers for radio, television and film. LAMDA offers qualifications that indicate a candidate's level of rigour and discipline in their chosen art form. As well as including training in Dramatic Art, LAMDA provides students with the keys to employability. The ultimate aim is to provide all people with the opportunity to develop the life skills they need to be a success: attributes such as self-confidence and the ability to communicate clearly and present ideas. The structure of examinations is very similar to a musician's graded examinations and as such offers the very valuable kudos of having UCAS points (Universities & Colleges Admissions Service) attached to the higher levels of achievement. Students will follow the acting pathway, which includes communication skills, confidence building and development of speech and movement.

The Mountbatten School Drama Department highly recommends LAMDA tuition for those students who have an aptitude for acting and a passion to develop their practical skills. It is excellent preparation for GCSE and beyond, preparing students well for A-level/BTEC, university courses or drama school, as well as their future careers.

It is expected that students embarking upon this course will choose to develop through the grades. When students are ready and wish to take an examination, parents will be advised on how to book, with the examinations usually taking place in either Portsmouth or Bournemouth. Parents will be responsible for travel and examination fees.

Students will be given prescribed reading lists and before commencing tuition, students are encouraged to select their speeches. All reading lists and course overviews will be emailed to students and parents as soon as their place is paid for and confirmed.

We will be able to offer a refund only if there are students on the waiting list.
