

Parenting Workshops

Three upcoming workshops to equip and support parents, carers and children. All workshops will be online. Register for each session using the individual links shown (click or copy and paste into your browser). The first session is FREE. Once registered you will be sent the log-in 24 hours before the workshop.

Each session is hosted by Lorraine Lee, who has worked with parents, families and schools for over 20 years. There will be a time of input followed by questions. We look forward to seeing you!

Please contact your school if you have any questions.
