We would like to draw your attention to some important information:

Flat, closed toe shoes to comply with health and safety regulations.

Automotive, carpentry, electrical, engineering, plumbing and refrigeration:

Sturdy shoes / boots, rather than trainers.

Catering and hospitality:

Students need to tie their hair back if they have long hair.

Students should bring loose fitting clothing with them that allow them to move freely; for example: leggings, tracksuit bottoms and a t-shirt or PE kit.

Choosing of subjects

To facilitate the planning of the day, students have to register their subject choices by **Friday 19 May**. Registration can be completed via this [link](#).

Behaviour

Members of the school staff will be present in college throughout the day should students require additional assistance. We are very proud by how our students conduct themselves when they attend out-of-school events and look forward to receiving the usual positive feedback from the organisers.

Please note, we reserve the right to withdraw a student from the taster day should their behaviour or conduct not meet our expectations in school in the lead up to this event.

If you give permission for your child to attend the taster day on Tuesday 18 July, please complete the [Eastleigh College Taster Day Google Form](#) by **19 May 2023**. Should your child be unable to attend, please contact school as soon as possible via the absence line (01794 502502, option 1), stating that they were due to attend Eastleigh College that day.
